# Why bother?

# What do we do to engage the wider team?

**How do we know if  
you like us?**

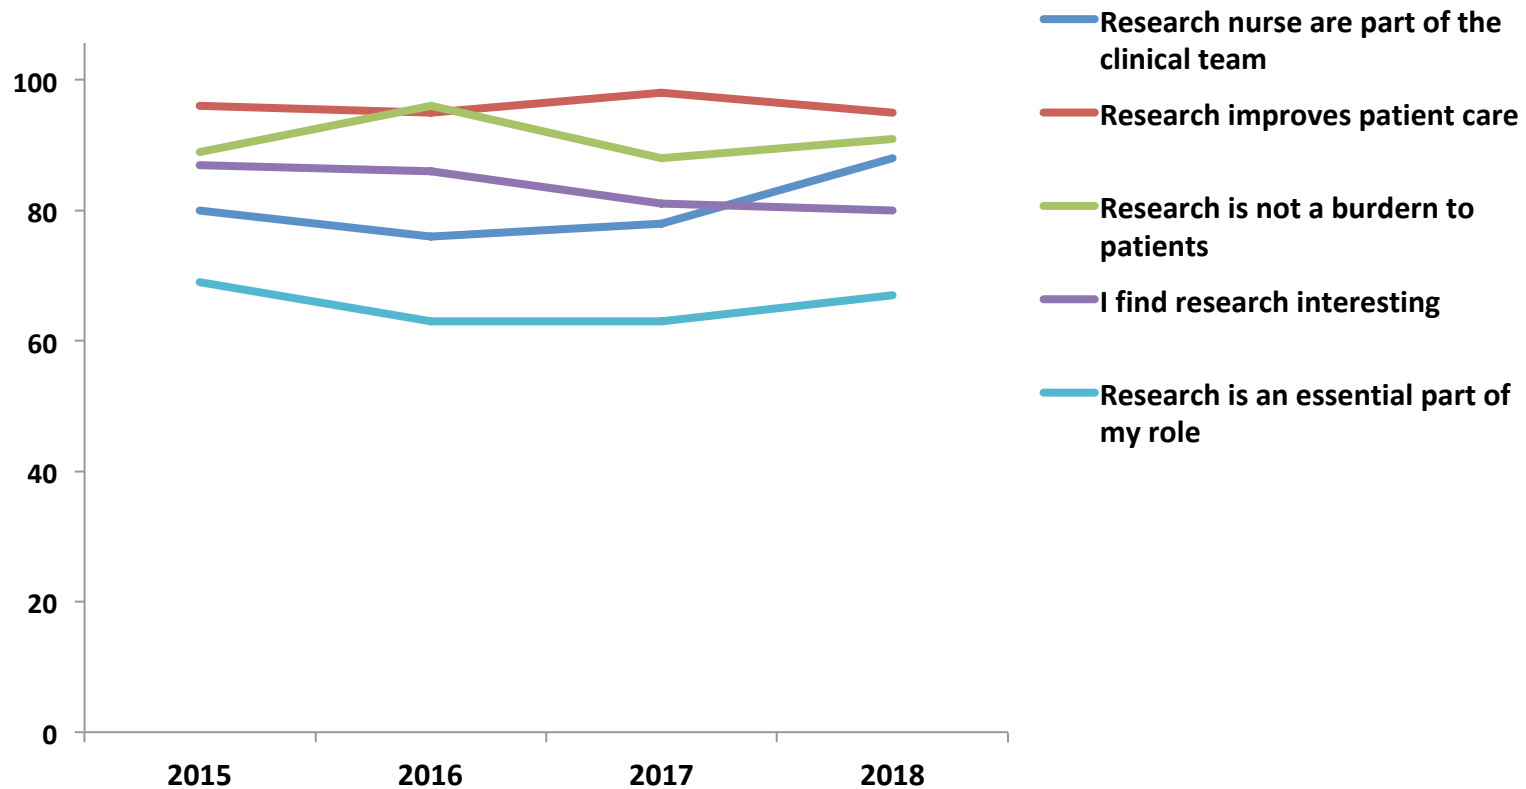

# What have we done?

|  | Strongly Agree            | Agree                 | Do not know           | Disagree                 | Strongly Disagree     |

| The Research Nurse is an important role within the Multi-disciplinary Team   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research Nurses are part of the clinical care team   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research Nurses are not nurses   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research Nurses are an unnecessary use of NHS resources  | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research is an essential part of my role   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research has a large part to play in improving patient care  | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research is the way forward to changing clinical care  | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research is a waste of time and resource   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| I find research interesting  | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Patients should be given the opportunity to participate in research  | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Research is a burden to patients   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| If an appropriate study was available I would volunteer to participate   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| I feel I know what the departmental research team do   | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| I participate in departmental recruitment activities (e.g. identifying participants, assisting with study interventions)                       | <input type="radio"/>     | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>    | <input type="radio"/> |
| Do you consider yourself research active? (e.g. aware of research currently happening, highlights potential participants, carry out any audit) | Yes <input type="radio"/> |                       |                       | No <input type="radio"/> |                       |
