A top-down view of a wooden desk. In the center is a white spiral-bound notebook with the text "Take-home message" written in a black serif font. A hand on the right holds a black pen, positioned as if about to write. To the left, another hand rests on a silver laptop. The desk is cluttered with office supplies: two green binder clips, two yellow paper clips, and a black pen cap. A small green succulent in a terracotta pot is at the top center, and a red mug is partially visible at the top right.
